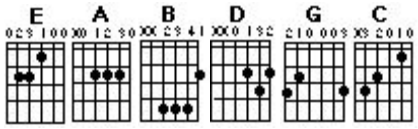
Sly Times



```
Intro: E A B E A B x2

E                               A       B
Well, they closed down Ebbets field today and I,
E                        A B
I had to go run and and see
E                               A         B             E
and all the scientists in the world are closer to the cures
E                                 A B
than they will be prepared to admit

D      G                  D G                    D
As the rain falls down on a middle-Eastern town,
           G                  D        G
The second coming's coming, to heed the prophet's warning

E              A      B              E
Dr Robert Oppenheimer walks into the room
                            A  B
and people spit down at his feet
E                      A         B          E
An Buzz Aldrin can't relate to anyone or anything
                                A              B
He just can't describe what it was that he'd seen

D       G               D          G               D
And in America where the the perspiration's falling
       G                 D             G
Confederates are smiling, they say the South is rising

D G D G D G
    A         G      A      D    G       A          D
Sly times are coming at you Joe, cutting you're lifeline

E A B...until C E
