

## Understanding Sadness

D G Em A D  
Understanding sadness is the hardest thing I ever did  
G Em A D G Em A D  
I saw visions on the stairs, late in the night now you're not there  
D G Em A D  
Understanding Sadness is like a ship out on the seas  
G Em A D G Em A D  
All is wild and all is dark, you never know how deep it is

G A  
Last night I called out loud my dreams,  
G A  
That yo'd let me down and when I wake it's real  
G A  
An' as the man says often to me  
G A D G Em A D  
"I wanna know if love is wild, I wanna know if love is real"

D G Em A D  
The last thing you ever wrote was "darlin' don't let the fire burn out"  
G Em A D G Em A D  
But you don't seem to understand what was lit with Gods own hand

D G Em A (rpt)

D G Em A D  
The only truth I ever bought is the faith with which you walk  
G Em A D  
The only fear I understand is the holdin' of your hand

D G Em A (rpt)

D G Em A D  
Understanding sadness is the hardest thing I ever did  
G Em A D  
You know I'll never lay you down, before the grace of you I drown
